Availability condition : Week

Technical guide Restrictions by week from start

access to Administration/plugins/Availability restriction/Restrictions by week from start

Choose the default reference between :

- The course start date. In that case the cutoff date for the controlled item is absolute and identical for all students.
- The date of the user's enrolment. In that case the cutoff date will be relative for each student individually and equally.

Credits

- Valéry Fremaux : development
- Florence Labord : Documentation & tests
