

SharedResources block (Conversion tool)

- **Component Type:** Block
- **Name:** Shared resources (tools)
- **Technical name:** block_sharedresources
- **Versions:**  to 
- **Distribution :** Moodle Marketplace
- **Availability :** Stable

Introduction

The “Shared Resources” block goes hand in hand with the activity module [Shared resources](#). It facilitates navigation and access to the features of the activity by presenting various shortcuts to the latter.

Rendering on a course

Block Shared resources and its links to the different menus

Features

- Converts resources standard course file to shared resources
- Transform into course resource : Relocates shared resources into standard resources of the course
- Allows to import a batch of physical files as shared resources
