Pre-positioning Block (Audit Quiz Result): Results Reporting

Displaying the results

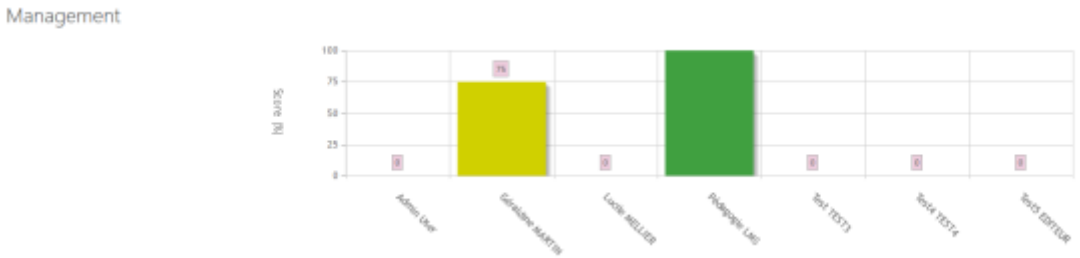

Overall results

On the block: the view results link: results can be viewed per user, chosen from the drop-down list, and an image capture is possible.

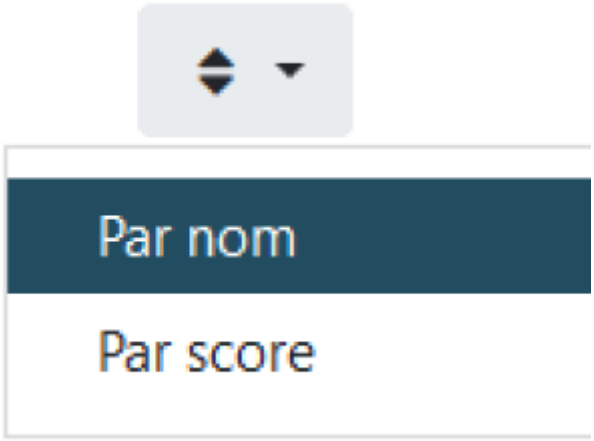

Results by category

On the block: the course report/by category link: results are displayed by question subcategory and by user

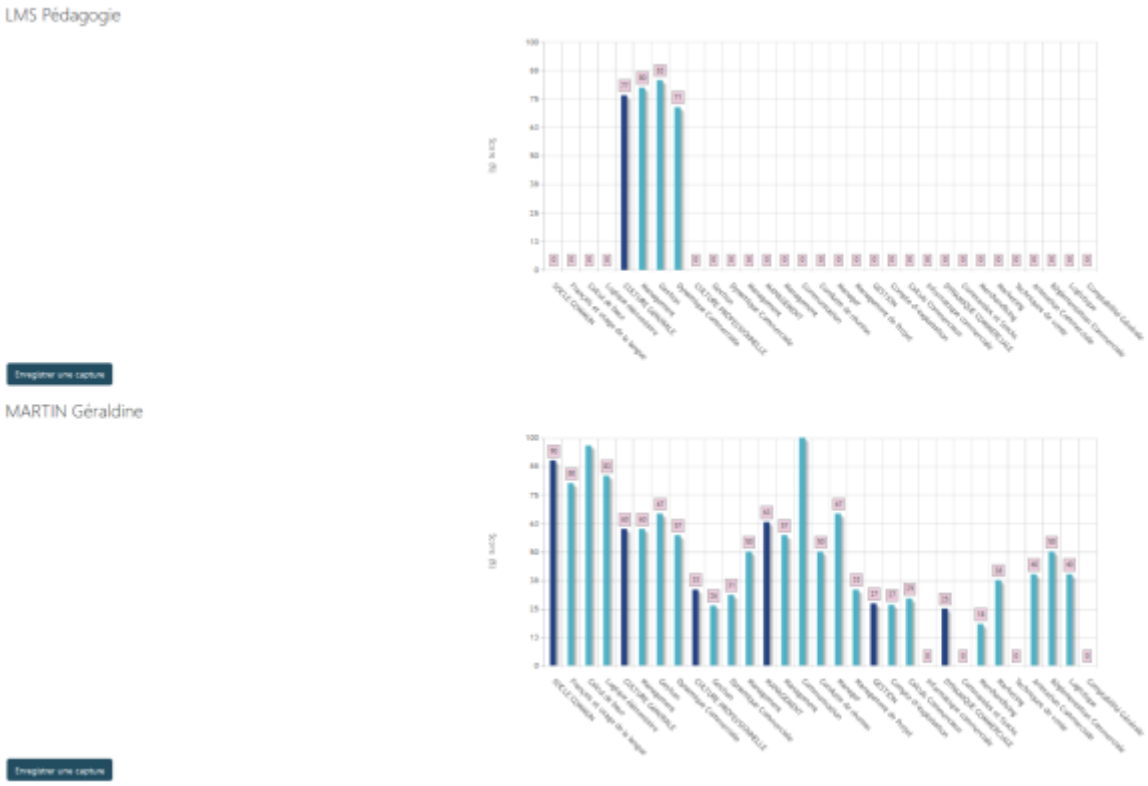

A filter also lets you return the results sorted by name or by score obtained.

Results by user

On the block: the course report/by user link: results are displayed for each user enrolled in the course.
