Multi Course Navigation block: User guide

Block settings

- **Block title:** Title of your choice
- **Show completion:** no completion, standard completion of activities and resources, LTC support
- **LTC completion contract:** All marks, mandatory marks only
- **Ignore section 0:** Yes or No
- **Show modules and resources:** Optional; if not displayed, the show/hide modules and resources icons will be hidden from the interface

Show/hide modules and resources icons

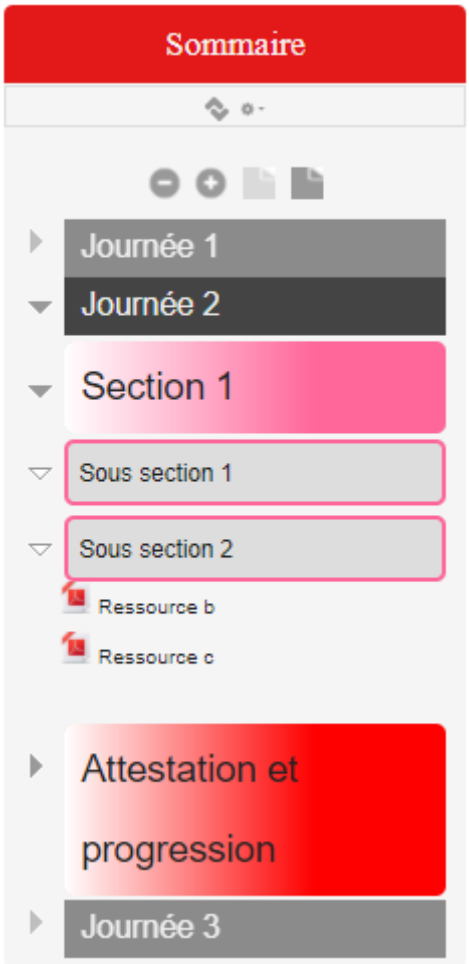

- **Show links to sections:** Section anchors, single section view. In this case the section opens on another page, with a button to return to the whole course
- **Course to track:** Enter the list of (numeric) course identifiers you want to represent. If empty, only the current course will be represented.

Rendering in a course:
