Educational Credits Block: User Guide

Moodle Online Shop

Presentation

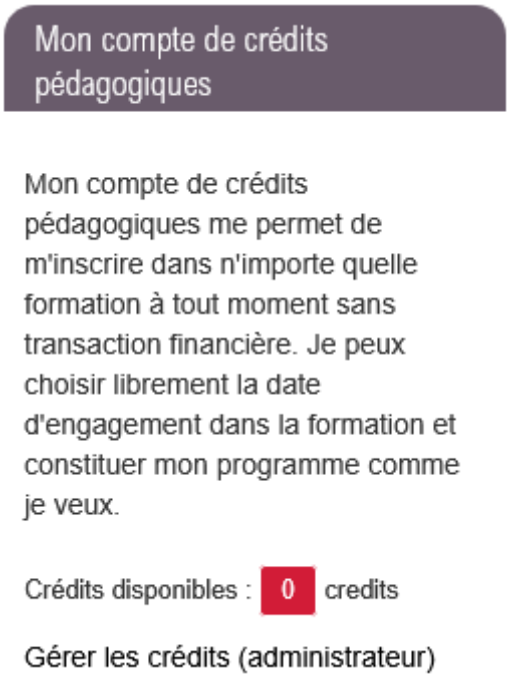

This block lets me view the credits I have as a learner.

These credits are assigned manually by an administrator, or topped up with a financial counterpart when these credits are purchased.

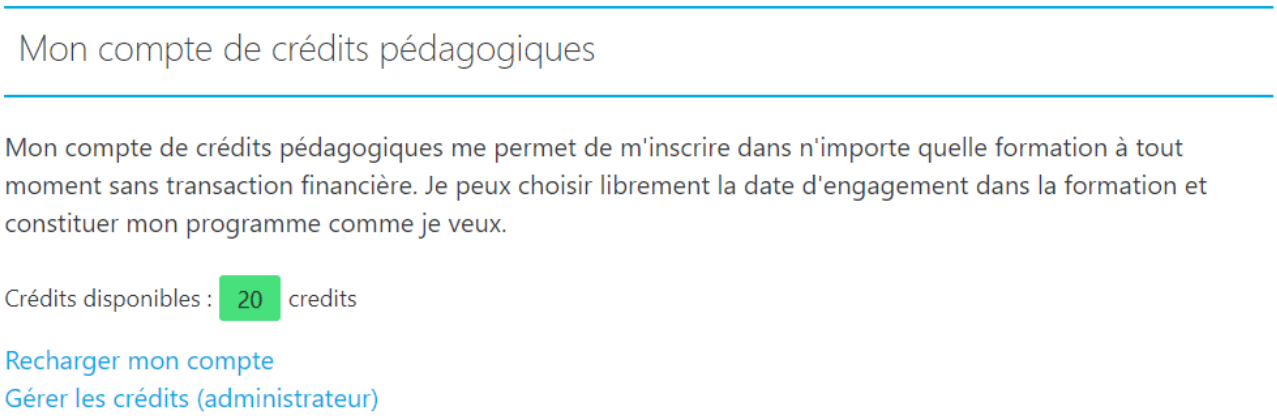

They allow me to enrol in a course that has the enrolment method by educational credits.

Moreover, the integrated Moodle shop can recognise a training product sold on the basis of educational credits to be consumed, allowing this payment method by credits.

Block view

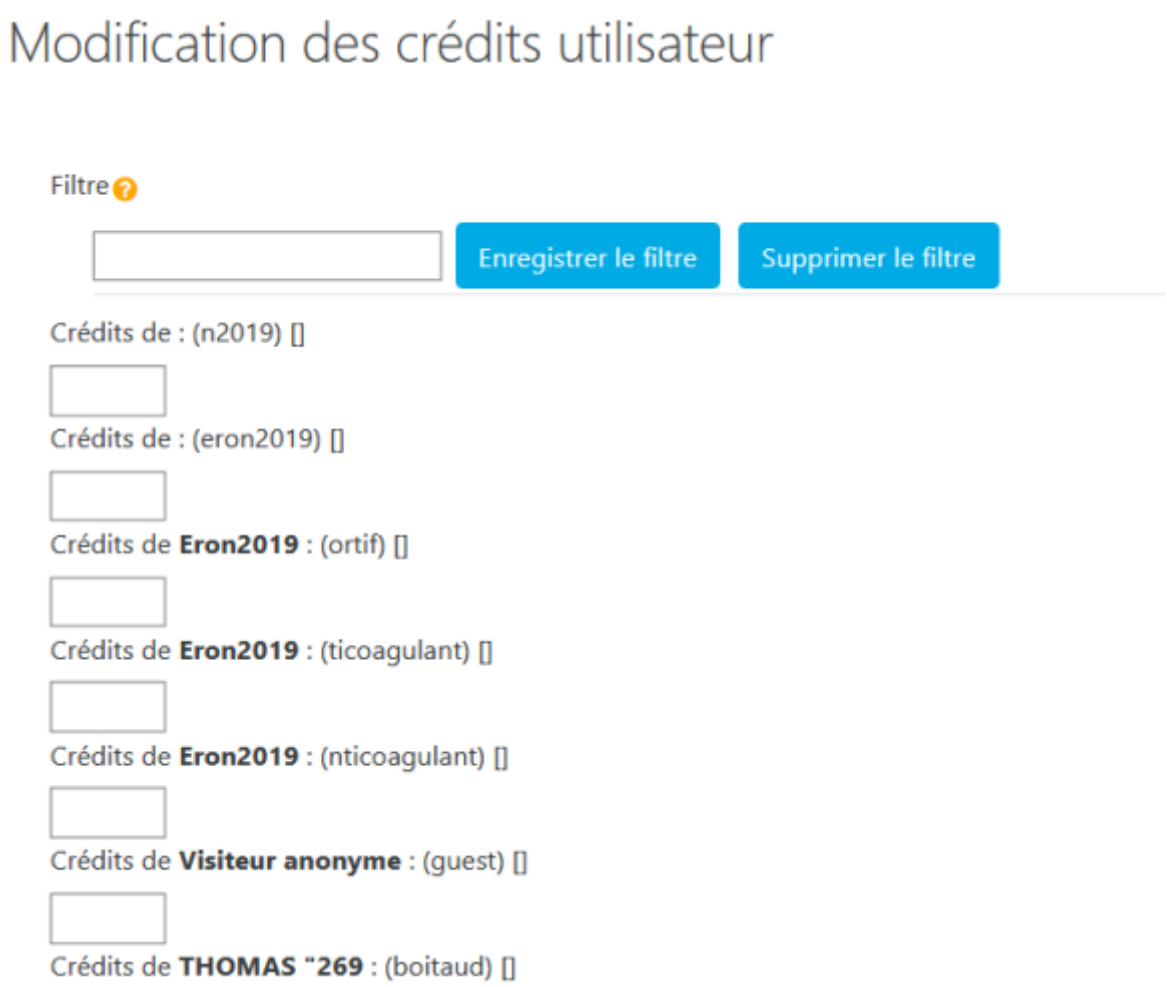

View of the block loaded with 20 credits

Managing credits

By following the manage credits link, the administrator can manually assign individual credits.

Credits

- Design: Valéry Frémaux
- Documentation: Florence Labord
