Installation Guide

Block Shared resources (conversion utilities)

This block is installed as part of the Shared Resource Library subsystem.

It must be installed with the related plugins:

- Sharesource module
- SharedResource Central Library
- A moodle repository focussing the Shared Resource Library

Installing the block

This block installs in the standard way:

- Unzip the block in the /blocks directory of your Moodle installation
- Deploy the other plugins mentioned above
- Navigate to site administration notifications

Sharedresources Block index - Sharedresource activity module - Sharedresource library - Back to plugins index - Back to subsystems index
