

Sales services - Shop access block : User guide

Moodle Shop

Introduction

Any people enabled to can add a Sales services block to the home page, the dashboard page or any course page by adding a Sales services instance. If you started several shop instances in the same Moodle, you may setup one Sales services block per instance.

Access

Commencez par ajouter le bloc named "Sales services" dans un cours qui sert de support client par exemple ou un espace de cours de votre choix de la plateforme Moodle

Administration du site/Add a block/Sales services ([Shop Access](#))

Menus du bloc Sales services

1/Shop

Lien vers la boutique, en mode frontoffice (vue client) ou backoffice (pour les personnes ayant les autorisations d'accès) pour renseigner les différents éléments.

2/Sales administration

Ce lien conduit vers la liste des menus d'administration des ventes pour les ayants droits :

- Gestion des catalogues

IMAGE A PLACER

Le ou les catalogues créés peuvent être paramétrés via les réglages :

- Name : catalogue name
- Description : catalogue description text

- Sales conditions : Sales conditions text for all catalogue products
- Country codes list : You can restrict the country choice list by giving the list of official country codes to use.
- Bill footer : Text that will appear in each bill footer
- Choose catalogue status :
- Standalone catalog : default status
- Master catalog : if it has to be a master with slave (s)
- Linked to : choose a master catalogue to link to in the scrol
