

Block Shop Access (Sales department) : User guide

Moodle Integrated Online Store

Introduction

Any people enabled to can add a Sales departement block to the home page, the dashboard page or any course page by adding a Sales services instance. If you started several shop instances in the same Moodle, you may setup one Sales services block per instance.

Access

Add block named "Sales department" dans un cours qui sert de support client par exemple ou un espace de cours de votre choix de la plateforme Moodle.

Path : Site Administration/Add a block/Sales department service([Shop Access](#))

Sales department block menu

1/Shop

Link to Shop, in frontoffice mode (customer view) or backoffice (for users with access permissions).

2/Sales administration

This link to access to :

- [Catalog management](#)
- Sales management links list for users with access permissions

Illustration : Sales services page

The screenshot displays the 'Sales service' interface of ActiveProLearn. At the top, the 'ActiveProLearn Enseignement Digital' logo is visible. Below it, a breadcrumb trail shows 'Dashboard' and 'Sales service'. The main heading is 'Sales service', followed by 'Catalog management'. A table lists the current catalog:

Name:	Description:	Categories	Items	Controls
Catalogue de vente de cours	Catalogue pour la commercialisation des cours et des plugins par ActiveProLearn (en cours)	7	13	New catalog

Below the table is the 'Sales management' section, which contains a list of links and their descriptions:

- All shops: All shops
- All bills: Bill : Search
- All product instances: Search and manage instances of products.
- All customers: Search within customer accounts.
- Manage taxes: Manages tax definitions
- Scan merchant trace: Grep in trace for a single transaction
- Settings: Access general settings form in Moodle administration
- Reset basket: Reset the shop
