Enrol Self Check In - Enrolment par QRCode

Use guide

The QR Code registration method (Self Check-in) is simple to use.

1. Enable the registration method (click the “eye” icon) in the list of available registration methods for your Moodle installation.
2. Navigate to the administration notifications to complete the module's logical installation.
3. Ensure you enable this plugin in the general registration method settings (Site administration / Plugins / Enrolment methods).
