

Back Office : Configuration and implementation of a commercial offer

Define shop instance

(or verify your shop instance)

Access using Sales department block

Begin by adding the Sales department services block in a course that is used as “customer support” or a course of your choice on Moodle platform.

Site Administration/Add a Block/Sales department ([Shop Access plugin](#))

Link to “**Sales administration**” in [Sales department block \(component Shop Access\)](#)

Then, link to “**All shops**” on Sales Services block.

The screenshot shows the 'Sales service' section of the ActiveProLearn interface. Under 'Catalog management', there is a table with columns: Name, Description, Categories, Items, and Controls. The table contains one entry: 'Catalogue de vente de cours' with a description in French, 7 categories, and 13 items. A 'New catalog' link is visible to the right. Below this, the 'Sales management' section lists various actions like 'All shops', 'All bills', 'All product instances', etc., each with a brief description.

Name:	Description:	Categories	Items	Controls
Catalogue de vente de cours	Catalogue pour la commercialisation des cours et des plugins par ActiveProLearn (en cours)	7	13	

[New catalog](#)

Sales management

- All shops: All shops
- All bills: Bill : Search
- All product instances: Search and manage instances of products.
- All customers: Search within customer accounts.
- Manage taxes: Manages tax definitions
- Scan merchant trace: Grep in trace for a single transaction
- Settings: Access general settings form in Moodle administration
- Reset basket: Reset the shop

This menu allows you to create another shop instance or change the default one, with its catalogue and see how many blocks are attached to each instance.

Finally, click the “New shop instance” link at the bottom of the table displaying the shop.

The screenshot shows the 'Shops' section with a table containing one shop instance. The table has columns: Name, Description, Currency, Catalog, and Used blocks. The entry is 'Notre offre au service de votre pédagogie' with a description in French, currency '€', catalog 'Catalogue de vente de cours', and 24 used blocks. A 'New shop instance' link is at the bottom left. A gear icon is visible at the end of the table row.

Name	Description	Currency	Catalog	Used blocks
Notre offre au service de votre pédagogie	Cliquez sur la catégorie de produits Moodle de votre choix pour en afficher les détails	€	Catalogue de vente de cours	24

[New shop instance](#)

- To modify an existing shop, click the gear icon at the end of the line of the shop created.
- To delete an existing store, click the cross at the end of the shop's line.

Note: You will need to set the [Sales department block\(Shop Access component\)](#) to have it point it to the desired store instance if you are running multiple shops.
