Training certificate: Abilities and rights

mod/pdcertificate:addinstance

Individuals with this ability can add an attestation instance in the course.

mod/pdcertificate:view

People with this ability can see the content of the activity.

mod/pdcertificate:getown

Only persons with this capacity can withdraw their certificate as soon as it is available and incorporated. It can be withdrawn from students if, for example, the issue Physics of the certificate requires printing and a physical signature organized by a trainer.

mod/pdcertificate:manage

People with this capacity can reach the management screens of the certificates issued.

mod/pdcertificate:printteacher

Persons with this capacity will be included in the list of teachers mentioned on the certificate if the teacher insertion field is used in the text of the model.

mod/pdcertificate:isauthority

Persons with this capacity will be included in the list of choices of possible attestation authorities. One of them may be chosen for figure as the issuing authority of the document.

mod/pdcertificate:apply

Only persons with this capacity may be recipients of certificates. No documents will be generated for others.

mod/pdcertificate:deletepdcertificates

The destruction of the certificates generated is only possible for people with this capacity, even if they also have the possibility to access the interface of management of the certificates.
