## Paramétrage

The screenshot shows the 'Ajout Wiki à Section 1' configuration page in Moodle. It is divided into several sections: 'Généraux', 'Format', and 'Réglages courants'. Each section contains various input fields and options. Twelve blue callouts, numbered 1 through 12, point to specific elements: 1 points to the 'Nom du wiki' field; 2 points to the 'Description' text area; 3 points to the 'Afficher la description sur le page de cours' checkbox; 4 points to the 'Mode wiki' dropdown menu; 5 points to the 'Nom de la première page' field; 6 points to the 'Format par défaut' dropdown menu; 7 points to the 'Imposer le format' checkbox; 8 points to the 'Visibilité' dropdown menu; 9 points to the 'Numéro d'identification' field; 10 points to the 'Mode de groupe' dropdown menu; 11 points to the 'Groupement' dropdown menu; 12 points to the 'Ajouter une restriction' button under 'Restrictions d'accès'. At the bottom, there are buttons for 'Annuler', 'Enregistrer et afficher', and 'Enregistrer et revenir au cours', along with a red note: 'Ce formulaire comprend des champs requis, marqués \*.'
