FordsonFEL: An advanced bootstrap theme

Navigation icons

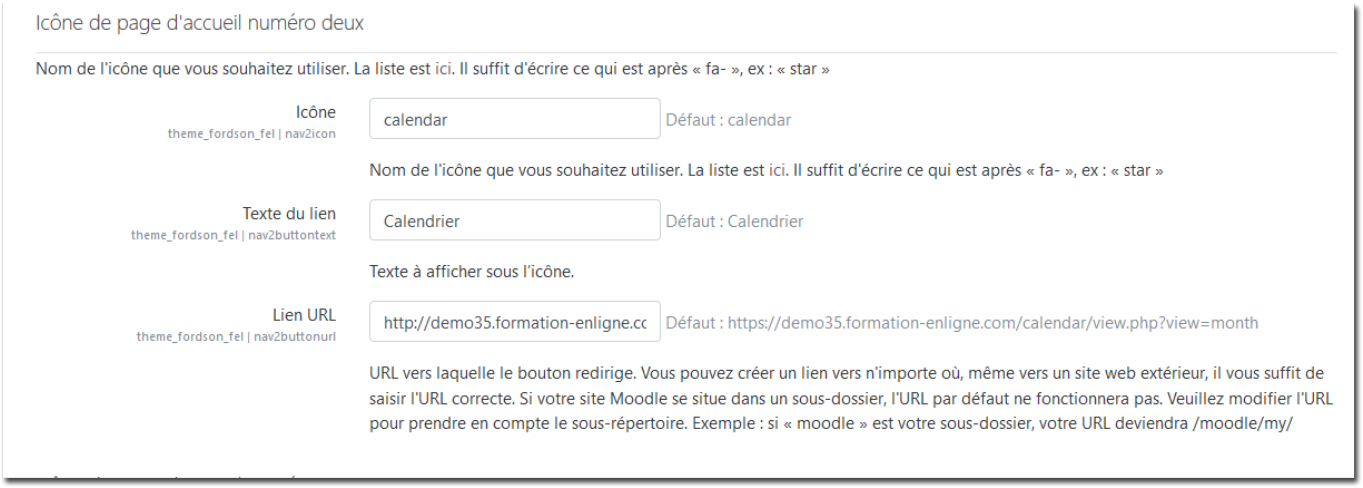

Access: Site admin/appearance/themes/FordsonFEL/Navigation icons

This section presents the settings related to the sizes, texts and links of the “icon buttons” on the standard Moodle front page.

It is replaced by the redesign of the strategy around the dashboard Enhanced My Moodle/dashboards.

It can however be used if arrival on the latter is not forced.

Example of settings to fill in for the standard Moodle front page.
