FordsonFEL: An advanced bootstrap theme

Footer

The footer renderer has been modified compared to the standard theme, in order to accept 3 areas (1/3, 1/3, 1/3) with

- a wysiwyg editor for free input of your choice
- the use of shortcodes to choose the area or make the standard information entered in the form appear.

There are 4 input areas in total

1. Left area,
2. Centre area: hidden on mobiles.
3. Right area
    1. Footnote (across the full width of the footer)

Access to the form

Site admin/appearance/themes/FordsonFEL/Footer

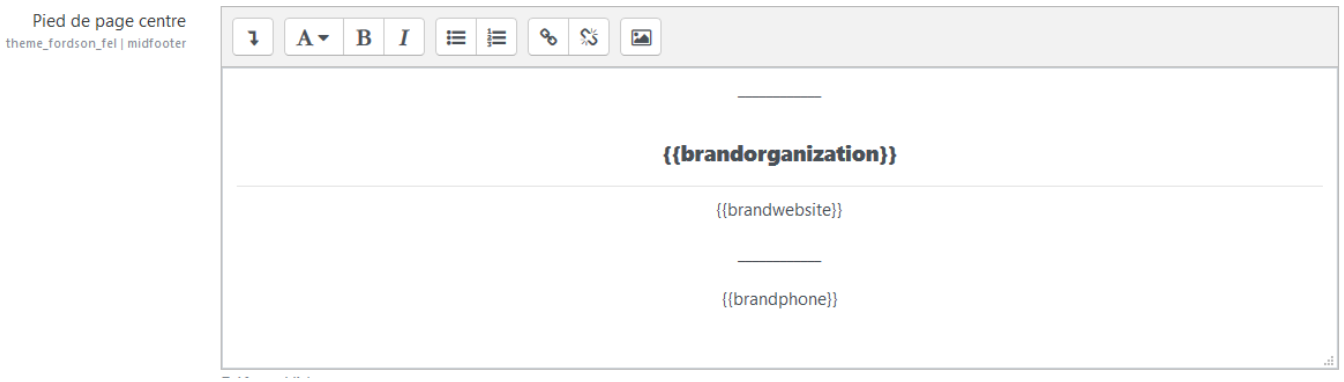

Step 1

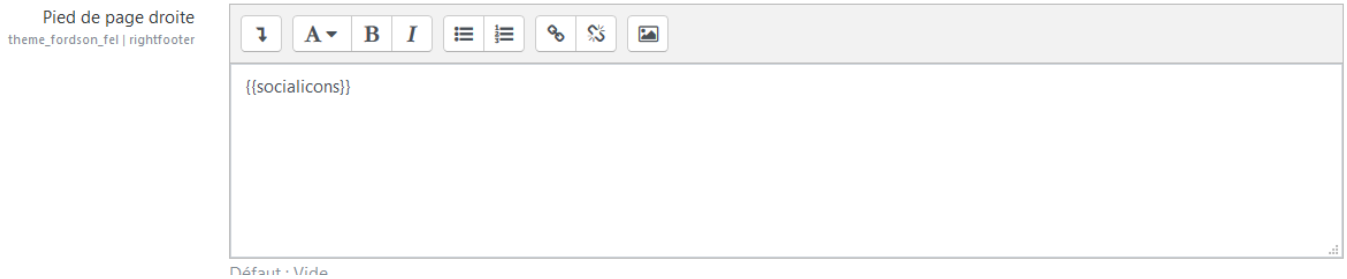

Enter in the form the information about your Moodle, and the social network addresses in the provided input areas - Only the areas filled in the form for social networks will appear. Example:

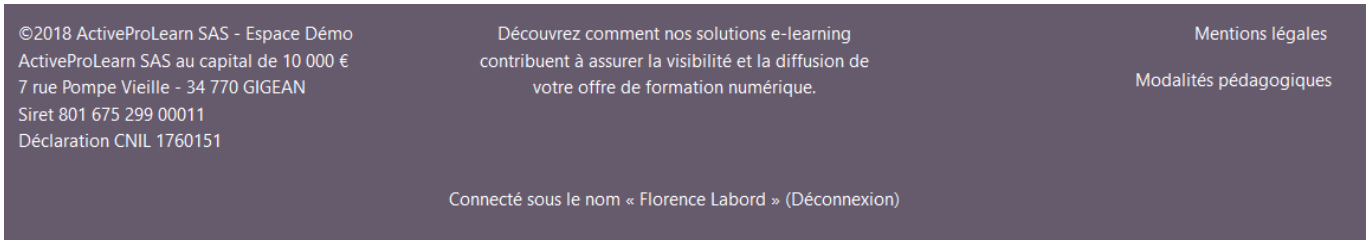

Step 2

Call the shortcodes, possibly formatted, in the area of your choice, left, centre or right - Examples

Examples of footer rendering
