FordsonFEL: An advanced bootstrap theme

Custom image settings

Access: Site admin/appearance/themes/FordsonFEL/Custom image settings

- **Show course images:** Default yes. Lets teachers customise the course header image by inserting an image file in the course settings.
- **Favicon:** Favicon for fordson_fel. Images with a transparent background and a height of 32px will work best. Allowed types: PNG, JPG, ICO
- **Header logo:** Logo displayed on the login page, duplicate of the image possibly used in the login box.
- **Default header image:** Default image for course headers if no image is inserted in the course settings. Image reused as thumbnail on the MY page.
- **Default page background image:** Background image for pages.
- **Default login image:** Background image of the login page. This item was modified by APL to accept several images that will be displayed randomly when the login page loads.
