Klassplace: A flat design theme: Login page

Login page content area

Concerns the login form

- “Show” button for the password: Shows/hides the password: This adds a switch to show the password in clear text in the login form.
- Login help button: Displays a button in the login form. Enter the text of the login help button here, for example: “How to log in”.
- Login help button URL: URL of the help for logging in.
- Login page banner image: image that will appear in the login form, generally a logo
- Login form colour: Background colour of the form.
- Login form text colour: Colour for the text.

Custom content

Display box to the right of the login box

- Alert box: Free text in the box.
- Alert link: Text for a link, below.
- Alert link URL - URL of the link, for example https://service.formation-enligne.com/
- Alert image: Image to display in this box.
- Alert image URL: Link on this image, identical to or different from the one on the text.
