Klassplace: A flat design theme: menu settings

Introduction

This menu lets you manage what appears at the top of courses and in the top banner menus of the site Access: Site admin/appearance/themes/Klassplace > Menu settings submenu

Course management panel menu

- **Show student and teacher dashboard panels:** This option displays an easy-to-use sliding panel at the top of courses so that teachers can manage their course. An overview panel will be displayed for students, including grades, course completion and other course tools.
- **Show student grades:** yes or no
- **Show student completion:** Displays the radial infographic matching the student's completion rate in the course management panel for learners. Completion tracking must be enabled for this option to work. But based on standard completions, not on APL components.
- **Only Show Group Teachers:**
- **Show the course administration icon to students:** Displays the course settings (a cog) for students. This is required if you want to let them unenrol from courses.

Dynamic list of the user's courses and course navigation menus

- Show enrolled courses: Show enrolled courses for users in the top navigation bar.
- Swap long name and short name in the navigation bar course list: Possible choice to display short names (shortname rather than the full course names)
- Show this course's menu: Show Jump to section in the course menu for users in the top navigation bar. This contains menu items previously found in the navigation drawer.
- Terminology: my courses, my modules, etc. of your choice from the list
