Pioneer FEL theme

Template FEL LIVE DEMO

The Pioneer FEL theme is derived from the recently published community Pioneer theme.

It keeps a very wide choice of flexible and advanced front page features (marketing announcements, course slider, etc.) and offers a highly configurable user home page (Dashboard).

Builds

Note: a “Failing” status does not necessarily mean that the plugin does not work. This status reflects the result of automated tests checking the code against Moodle's strict standards. We are continuously working on bringing all supported plugins progressively into compliance with these development rules.
