

# Gestionnaire local de fichiers

The screenshot shows the Moodle ActiveProLearn file manager interface. At the top, there is a navigation bar with tabs for 'Mes cours', 'Messages', 'Calendrier', 'Administration', 'Profil', and 'Déconnexion'. Below this, the 'EDUNAO' logo is visible. The main content area is titled 'Fichiers' and displays a file manager window with two files named 'site\_image\_cadre\_1' and 'site\_image\_cadre\_2'. The interface includes a sidebar with 'NAVIGATION' and 'ADMINISTRATION' sections, and a footer with 'Valer tous les caches' and 'Educan - Support technique'.
