

# Gestionnaire local de fichiers

The screenshot shows the EDUNAO local file manager interface. The top navigation bar includes links for 'Mes cours', 'Messagerie', 'Calendrier', 'Administration', 'Profil', and 'Déconnexion'. The main header 'EDUNAO' is followed by 'ÉDUCATION & FORMATION'. The breadcrumb navigation shows 'Ma page > Sync > Archivage de synchronisation'. On the left, there are two sidebar sections: 'NAVIGATION' with links to 'Accueil du site', 'Pages du site', 'Mon profil', and 'Mes cours'; and 'ADMINISTRATION' with 'Réglages de mon profil' and 'Administration du site'. A search bar with 'Rechercher' button is also present. The central area is titled 'Fichiers' and contains a file list with two items: 'test\_Import\_Users...' and 'test\_Import\_Users...'. A note at the top right says 'Taille maximale des nouveaux fichiers : 10Mo'. At the bottom are 'Annuler' and 'Enregistrer' buttons.

C'est dans le gestionnaire local qu'apparaîtront les fichiers que vous générez dans l'[Interface de contrôle des cours](#).
